TROOP 222

DESOLATION WILDERNESS

Another great trip! Sixteen miles in three days, tons of beautiful lakes, great swimming and unbelievable views of Tahoe and Fallen Leaf from the top of Mt. Tallac - what a summer for Troop 222!

The leadership on this trip was superb - some of the best I've ever seen in Troop 222. PL **Ryan Jacquemet** ran things perfectly - he was organized and kept it fun - everyone pitched in to help, and our camps have never looked better. Also special thanks to APL, **Ian DeLisle**, who was always there ready to teach, ready to help and ready to lead the way on the trail. These two guys are the REAL DEAL as leaders and terrific role models for our guys - thanks a million, **Ryan and Ian!**

Many thanks also **Paul Jacquemet** and **Ryan Jacquemet** for their hard work in organizing our equipment and to **Paul** for driving and for joining us on the trip - he really knows backpacking and the outdoors - (get this - he has done ALL of the Yosemite High Sierra Camps multiple times!) - what a great guy to have with us on the trail. Also thanks to **Sydney Marks** for providing Saturday's driver shuttle service from Fallen Leaf back up to Echo Lakes and to the **Henninger family** who once again loaned us their reliable Chevy Suburban for the trip.

Coming up next - another Sierras backpack September 18/19 - it will be fun!
